Yes, I have read and understand that tuition is paid monthly for 3 consecutive months and is due on or before the 25 th of the month prior to my, or myson/daughter's attendance. Tuition received on or after the 26 th of the month will incur a \$10 or \$25 late fee. I realize that this is a 3 month committed program, and that tuition is due even if I am unable to attend my class or any make-up classes.
